

e-sphyg3™

Build a mini vitals station with our Premium Desk Caddy

Build your own mini vitals station with ADC's all-new Premium Desk Caddy! With its streamlined design and sturdy yet lightweight construction, the caddy holds: **e-sphyg 3 NIBP monitor**, including cuffs and cords; a **fingertip pulse oximeter** (ADC's Advantage 2200 or Diagnostix 2100); and a **non-contact thermometer** (ADC's Adtemp 429 or Adtemp 433).

- Caddy (unloaded) measures 9" X 6.5" X 5.25" and weighs 0.9 lbs
- Rigid side compartments perfectly sized for accessories
- Open well behind main unit helps keep cuffs and cords organized
- Mounting hardware (for e-sphyg 3 unit) included
- Acrylic construction
- Three-year warranty
- MSRP: \$99.99 (instruments sold separately)

Available in two designs:

Model 9003TS1

fits a pulse oximeter (either style)
and the **Adtemp 429**

Model 9003TS2

fits a pulse oximeter (either style)
and the **Adtemp 433**

E-sphyg 3 and other instruments sold separately.
